MEETINGS

The Chairman will appoint a secretary who will keep minutes of all meetings (the "Secretary"). The Secretary does not have to be a member of the Committee or a director and can be changed by simple notice from the Chair.

No business shall be transacted by the Committee unless a quorum of the Committee is present or the business is transacted by resolution in writing signed by all members of the Committee. A majority of the Committee shall constitute a quorum, provided that if the number of members of the Committee is an even number, one half of the number of members plus one shall constitute a quorum.

The Committee shall meet as often as it deems necessary to carry out its responsibilities but not less frequently than quarterly. The Committee shall hold in camera meetings at each Committee meeting.

The time at which, and the place where the meetings of the Committee shall be held, and the procedure in all respects of such meetings shall be determined by the Committee, unless otherwise provided for in the articles of association of NOVAGOLD, this Charter or otherwise determined by resolution of the Board.

Meetings may be held in person, by teleconferencing or by videoconferencing.

Any decision made by the Committee shall be determined by a majority vote of the members of the Committee present. A member will be deemed to have consented to any resolution passed or action taken at a meeting of the Committee unless the member dissents.

Minutes of the Committee will be kept by the Secretary. The approved minutes of the Committee shall be circulated to the Board forthwith and shall be duly entered in the books of NOVAGOLD.

The Chair shall preside at all meetings of the Committee at which he or she is present and shall develop the agenda for each Committee meeting. The agenda for each meeting of the Committee, other than an ad hoc meeting, shall be delivered to each member of the Committee at least 48 hours prior to any meeting of the Committee, together with such other materials as the Chair determines necessary.

ACCESS TO MANAGEMENT AND OUTSIDE ADVISORS

The Committee shall have full, free and unrestricted access to management and employees and to the relevant books and records of NOVAGOLD.

The Committee may invite such other persons (i.e. the CEO, CFO, Controller) to its meetings, as it deems necessary; provided, however, the CEO and other Executive Officers shall not be present during voting deliberations when their compensation or performance is discussed or determined.

The Committee may, in its sole discretion, retain or obtain the advice of, any compensation consultant, legal counsel or other adviser (each, a "Compensation Adviser" and collectively, "Compensation Advisers") as it deems necessary or advisable for the fulfillment of its responsibilities. The Company will provide appropriate funding, as determined by the Committee, for payment of reasonable compensation to any Compensation Adviser retained by the Committee. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any Compensation Adviser retained by the Committee. Prior to engaging or obtaining advice from any Compensation Adviser other than in-house legal counsel, the Committee shall assess the independence of the Compensation Adviser, taking into consideration the following factors, as well as any other factors required to be considered pursuant to all applicable legal and regulatory requirements:

- (a) the provision of other services to the Company by the person that employs the Compensation Adviser;
- (b) the amount of fees received from the Company by the person that employs the Compensation Adviser, as a percentage of the total revenue of the person that employs the Compensation Adviser;
- (c) the policies and procedures of the person that employs the Compensation Adviser that are designed to prevent conflicts of interest;
- (d) any business or personal relationship of the Compensation Adviser with a member of the Committee;
- (e) any stock of the Company owned by the Compensation Adviser; and
- (f) any business or personal relationship of the Compensation Adviser or the person employing the Compensation Adviser with an executive officer of the Company.

The Committee is required to conduct the independence assessment outlined above with respect to any Compensation Adviser that provides advice to the Committee,

other than: (i) in-house legal counsel; and (ii) any Compensation Adviser that acts in a role limited to the following activities: (x) consulting on any broad-based plan that does not discriminate in scope, terms, or operation, in favor of executive officers or directors of the Company, and that is available generally to all salaried employees; and/or (y) providing information that either is not customized for a particular issuer or that is customized based on parameters that are not developed by the Compensation Adviser, and about which the Compensation Adviser does not provide advice.

Nothing in this Charter requires a Compensation Adviser to be independent, only that the Committee consider the enumerated independence factors before selecting, or receiving advice from, a Compensation Adviser. The Committee may select, or receive advice from, any Compensation Adviser it prefers, including ones that are not independent, after considering the six independence factors outlined in (a)–(f) above.

REPORTING REQUIREMENTS

The Committee shall make regular reports to the Board, through the Chair, following meetings of the Committee.

The Committee shall review its own performance annually in accordance with the processes developed by the Corporate Governance & Nominations Committee.

REMUNERATION
